Cooperation with educational/research institutions

Applicants must have cooperation with educational or research institutions to develop human resources in Science and Technology. The below are the examples of co-operational programs with educational institutions.

WiL

Work Integrated Learning - Provides collaborative educational services between educational institutes and the private sector in the form of Public Private Partnerships (PPP)

DVT

Dual Vocational Training - vocational educational institutes forming agreements with private firms, to create effective curriculums, training, testing, and evaluation for students to gain practical working experiences

CoE

Co-operative Education - (for gradate study, university and college) structured method of combining classroom-based education with practical work experience. provides academic credit for structured job experience.

EEC

Special vocational education project in the Eastern Economic Corridor (Developing from the “Sattahip Model”)

Procedures for BOI Special Package for EEC

Procedures

Submit a general BOI application

(from Jan.1, 2018 to Dec.30, 2019.)

Submit an application for the EEC incentives by Dec 30, 2019

Evidences of co-operation with relevant institutions must be submitted for BOI inspection within 5 years after BOI certificate issuance.

Supporting documents

Remark: Companies can choose to apply for the incentives under the BOI general scheme first and submit an application for the additional incentives under the EEC scheme later, but no later than December 30, 2019.

- EEC Application form (details on cooperation plans with academic and/or research institutions)
- MOU or cooperation contract with academic and/or research institutions.

Evidence of outcomes/results from the MOU or contract, e.g. Document of students registration for professional training (WiL/DVT/CoE), report of R&D performances, etc.
