## Japan External Trade Organization

Japan External Trade Organization is a Governmental-related Organization under the Ministry of Economy, Trade and Industry of Japan (METI). Currently, having 76 overseas offices in 55 countries and 51 offices in Japan, JETRO's main function is to promote mutual trade and investment between Japan and the rest of the world. In the 21st century, JETRO has shifted toward strengthening foreign direct investment (FDI) into Japan and helping Japanese firms, especially SMEs expand their business into overseas markets. With the aim of contributing to further development of economic relations between Japan and Vietnam and to the achievement of the prosperity in the region, JETRO Ho Chi Minh offices has been conducting and involving in many various activities that brought mutual benefits to entrepreneurs of the two countries since its establishment in 2000.

### ORGANIZATION ACTIVITIES

- Offer expert consultation with the latest legal writings and information relating to tax, customs, labor and investment procedures to Japan investors who wish to invest or do business in Vietnam.
- Receive Japanese study missions to Vietnam for investment and business opportunities in Vietnam.
- Provide Japanese investors particularly SMEs with office space and facilities free of charge to promote their business and investment in Vietnam.
- Hold business matching between Japanese and Vietnamese enterprises in various fields
- Hold workshops guiding new laws and regulations on Vietnam's business and investment issues for existing Japanese enterprises who are operating in Vietnam.
- React to inquires chances for Vietnamese importers by inviting them to visit specialized trade fairs and production bases in Japan in fields of foodstuff, beverage, agriculture and supporting industries.
- Make a comparative survey of investment-related costs in major cities in the region and in Asia every year.
- Conduct an annual survey of current operation of the Japanese-affiliated firms in Asia and Oceania.
