6	Nerolidakar	NEROLIDAKAR was established in 2019 as a rebranded clothing brand originally launched in the early 2010s, which faced management and operational challenges at that time. The brand offers practical yet elegant apparel designed specifically for modern, active women, supporting them through the daily demands and challenges of their lives. NEROLIDAKAR provides a wide range of clothing made primarily from cotton and linen, and, depending on market availability, recycled materials. Our designs effectively replace foreign brands by offering better fit, style, and social relevance tailored to local realities. Additionally, we cater—albeit on a smaller scale—to the demand from women in the diaspora and the West African sub-region who seek conventional clothing that respects their body shapes and cultural identities.		https://www.instagram.com/nerolidakar/	Need suppliers of raw materials such as fabrics and textile machines (cutting, sewing and textile printing), packaging, etc.	
7	COMPLEXE EXCELLENCE COUTURE	Excellence is a complex that encompasses a fashion and styling training center, a garment workshop, and a showroom. The company has been operating in the fashion and sewing sector for about a decade. Its mission is to train future fashion professionals while producing high-quality clothing and accessories. The training center offers sewing and styling courses for fashion enthusiasts looking to acquire professional skills. Students benefit from high-quality instruction provided by industry experts. The garment workshop produces custom-made clothing and high fashion ready-to-wear collections. Each piece is crafted with care and precision to meet the needs and requirements of clients. The boutique offers an exclusive selection of clothing and accessories designed by talented designers trained within the complex. Customers can discover and purchase unique and original creations. Excellence is committed to promoting local craftsmanship and expertise while contributing to the training of the next generation of fashion designers.		https://www.instagram.com/complexexcellencecouture/	Need suppliers of raw materials such as fabrics and textile machines (cutting, sewing and textile printing), packaging, etc.	
8	La Moona	La Moona is a company specializing in the sale of lingerie and accessories for both women and men. Founded in 2017 in Montreal by its current CEO, Maimouna Mbaye, the business relocated to Dakar, Senegal, and has been operating two boutiques in Mermoz since December 2018. Today, La Moona is one of the leading retailers and resellers of lingerie in Dakar, offering both international brands and locally made products. The company has also launched its own in-house brands, including Djamilia, which represented 2% of its 2022 revenue and 4% in 2023. With a vision for growth, La Moona aims to increase its offering of "Made in Senegal" products, targeting both regional and international markets		https://lamoonaingerie.com/	Need suppliers of raw materials such as fabrics and leather cutting machines, textile machines (cutting, sewing and textile printing), packaging, etc. Skills transfer
