

Overview of Member States decisions in relation to implementation of Annex VIII to the CLP Regulation (Poison Centre Notification) - version 12.0 (25.05.2023)												
Disclaimer: The information is based on input from Member States. The declarations of Member States are indicative and subject to changes. ECHA aims at updating this document to reflect the latest status. For further information, please contact national CLP Helpdesk https://echa.europa.eu/support/helpdesks/ or the specific Member State Appointed Body https://poisoncentres.echa.europa.eu/appointed-bodies												
	Member State		Readiness of Member State to accept notifications via ECHA submission portal		Submission system options		Notification language		Fees for notifications		Placing on the market mixtures notified via ECHA Submission portal	Member State
			Duty holders can notify their mixtures through the ECHA Submission portal		Once confirmed they are accepting, Member States will only accept via ECHA submission portal		Duty holder may choose notification language between official language of the Member State or English (includes Member States where English is official language)		No fees		Duty holder can start placing the mixture on the market immediately after confirmation in the submission report that the dossier has passed the automated validation checks in the portal (without awaiting further approval from the Member State).	
			Duty holders must continue to notify their mixtures according to national systems until further notice.		Once confirmed they are accepting, Member States will accept notifications via the ECHA Submission portal, OR, their national submission system.		Duty holder must notify in one official language of the Member State (other than English)		Fees levied by Member State appointed body. Please contact the relevant appointed body for more details.		Duty holder can start placing the mixture on the market only after confirmation in the submission report that the dossier has been received by the Member State appointed body.	
							Duty holder must notify in multiple official languages of the Member State (other than English)		Fees under consideration. Please contact the relevant appointed body for more details.
