

JETRO's Online B2B Meeting Tour in The 24th Japan International Seafood & Technology Expo

Date: August 24th -26th, 2022

JETRO offers [a special virtual tour](#) for overseas buyers. You can visit the exhibition online and talk with the exhibitors who wish to export their products from Japan.

What is Online B2B Meeting Tour ?

On the days of the expo, [JETRO staff with a tablet will visit booth of the exhibitors](#) that you have selected beforehand. You can virtually meet the exhibitors [via video app \(Zoom\)](#) and check their products. You can also walk around the exhibition site and drop in the booth by JETRO's support.

Buyer's Voice

- ✓ The JETRO Tour was great, because it let's us to visit the booth even it's forbidden to come to Japan to talk to them directly and try directly the product!
- ✓ Thanks to the tour, we had the chance to see others company that was no include in the priority list.
- ✓ The JETRO tour was interesting for us to discover new range of type of product.

How to arrange a meeting

From the exhibitor list that wish to meet international buyers, you can select the exhibitors that you are interested in meeting. In addition to that, you can walk around the venue online and stop by the booth. You can directly talk with suppliers! JETRO staff will support exchanging contact information during the tour.
