Time: 10:00-17:00 *last day ends at 16:00
Venue: "Tokyo Big Sight" East Hall

Endorser:
Japan Fisheries Association

◆What is "Japan International Seafood Show"?

Japan's largest exhibition specialized in seafood!
More than 900 suppliers will participated in the trade show in 2022.

◆Features of the Show

- ✓ Not only are there various seafood products from all over Japan in the show, there are also various processed seafood products developed by improved freshness-preservation technology to meet diversified consumer needs.
- ✓ Visitors can find many halal and HACCP-certified seafood products and will be able to negotiate directly with Japanese fishermen and manufacturers.
- ✓ **Easy to search exhibitors by fish/ seafood products!**

Buyers are able to search exhibitors online by categories such as types of fish and certification system, etc.

Exhibitor Search by Fish

Horse mackerel	Anago	Abalone
Eel	Sea Urchin	Shrimps
Crab	Karei (Flounder)	Greater Amberjack (Kanpachi)
