Investors about UkraineInvest

I am pleased to recognize the excellent public services provided by UkraineInvest.

Florian Melle
Head of IKEA in Ukraine

ArcelorMittal

We are pleased to cooperate with UkraineInvest on situations that arise in the course of doing business and receive a prompt and professional response and support.

Mauro Longobardo
CEO, ArcelorMittal Kryvyi Rih

Shell Retail in Ukraine expresses its gratitude to the UkraineInvest team for their concern for the problems of investors that arise during their business activities in Ukraine and for their active assistance in solving them.

Peter Kerekgyarto
CEO, Shell Retail Ukraine

I share my sincere congratulations on behalf of Turkish Airlines and express my gratitude to the UkraineInvest team for their assistance in resolving the issue of premises at Boryspil International Airport.

Bilal Eksi
CEO and member of the Board of Turkish Airlines

Galyna Rusanova
CEO, Dacsa Bunge Ukraine

We would like to express our gratitude for your assistance and prompt consideration of our request. The timely commissioning of the plant is of great importance to our company.

We would like to express our sincere gratitude to UkraineInvest for its active support in a difficult time for our company. We are convinced that the activities of the UkraineInvest contribute to bringing Ukraine closer to victory and economic prosperity.

Roman Rublevsky
Director, Electrolux Ukraine

We thank UkraineInvest for its support. The institution is a reliable partner of the state in solving investors' problems and establishing effective interaction between business and public authorities.

Steen Laursen
Director, Hjort Knudsen

I would like to express our deep gratitude for your help in resolving the critical issue of VAT refunds. This allows us to continue production and return to the pre-war level of production.

Wojciech Michalowski
CEO, Barlinek Group

We express our deep gratitude to UkraineInvest for its assistance in proving the illegality of the tax assessment notice and for all actions taken to help protect the investor's rights.

Vitaliy Vantsa
CEO, Mercator Medical
