In April 2022, Northleaf Capital Partners Japan K.K. was established in Tokyo. This is Northleaf's ninth location, following Toronto, Montreal, Chicago, Los Angeles, Menlo Park, New York, London, and Melbourne.

The company has been involved in investments in the Asia-Pacific region for nearly 25 years, and with the establishment of its Japanese subsidiary, they aim to strengthen relationships with Japanese investors and clients, and to increase its presence and commitment in the Asia-Pacific region.

Upon the establishment of Northleaf's Japanese subsidiary, JETRO's Investment and Business Support Center (IBSC) introduced service providers, provided consultation (registration, visas) and PR support.
