

# FUKUOKA, Japan Investment Attraction Seminar

~Japan's Economic Potential, Where do investment opportunity lie?~

## WHY FUKUOKA, JAPAN?

~The city with highest growth potential in Japan~

Fukuoka City has played a key role as a gateway to Japan for the rest of Asia for more than 2,000 years. Its close proximity to the continent gives Fukuoka a geographical advantages as a business location in Asia Pacific Area. And Fukuoka has a number of competitive advantages over other Japanese cities.

Through its designation as a "National Special Economic Zone for Global Startups and Job Creation" in 2014, Fukuoka has been hard at work to transform itself into the world's most startup-friendly city.

Fukuoka is a city with a pioneering spirit, striving to find solutions for social issues by utilizing deregulation measures under the special zone scheme.

If you are interested in investing or business expansion in Asia, please join this seminar!
