Technology Partnering Program

JETRO Japan External Trade Organization

FIND YOUR PARTNER THROUGH JETRO'S TECHNOLOGY PARTNERING JAPAN PROGRAM

JETRO invites you to participate in the Technology Partnering Japan Program, a free business matching program designed to give you direct access to leaders and innovators in Japan's technology industries.

Who Should Apply?

Any (non-Japanese) technology company who does not already have an exclusive partner in Japan.

Sectors may include but are not limited to:

- Advanced Materials
- Computer Hardware
- Computer Software
- Renewable Energy
- Energy Efficiency & Management
- Environmental Protection
- Photonics
- Semiconductors
- Telecommunications & Internet
- Other

How Does the Program Work?

JETRO will submit your company's information to Japanese companies who are seeking new technology. The Japanese companies will notify JETRO of their interest, after which time your nearest JETRO office will contact you with the Japanese companies' responses and contact information where appropriate.

How Do I Apply?

Obtain a program application from your nearest JETRO office and return your completed application to the same office. There is no application deadline, as this program is offered on an ongoing basis.

For contact information, visit <http://www.jetro.org>.
