JETRO Japan External Trade Organization

FIND YOUR PARTNER THROUGH JETRO'S BUSINESS MATCHING PROGRAM

JETRO invites you to participate in the North America Business Matching Program, a free business matching program designed to give you direct access to over 150 leading Japanese corporations.

Who Should Apply?

Any (non-Japanese) technology company who does not already have an exclusive partner in Japan.

Sectors may include but are not limited to:

- Advanced Materials
- Computer Software & Hardware
- Telecommunications & Internet
- Semiconductors
- Renewable Energy
- Energy Efficiency & Management
- Environmental Protection
- Biotech / Pharmaceuticals
- Medical Device
- Healthcare
- Others

How Does the Program Work?

JETRO will submit your company's information to nearly 200 Japanese companies who are seeking new technology in North America.The Japanese companies will notify JETRO of their interest, after which time your nearest JETRO office will contact you with the Japanese companies' responses and contact information where appropriate.

How Do I Apply?

Obtain a program application from your nearest JETRO office and return your completed application to the same office. There is no application deadline, as this program is offered on an ongoing basis.
