

Oita Food Export Business Meeting in Vancouver

Date & Time : **Tuesday, 15 November 2016, 13:30 – 16:05**

Location: **Vancouver** (To be provided)

JETRO (Japan External Trade Organization) would like to invite food buyers to the Oita Food Business Meeting in Vancouver.

Oita is located in southern Japan and the diverse landscape and favourable climate results in the production of quality food. An excellent sampling of these products will be available for tastings and producers and companies will be available for business meetings. This will be the first Canadian presentation of food products from Oita for potential food importers and distributors.

We encourage the participation of local importers and distributors to be the first to sample and promote these products.

Products to be showcased:

- **Dried Shitake Mushrooms**
- **Seafood (Yellowtail, etc.)**
- **Produce**
(Mikan (mandarin), sweet potatoes, etc.)
- **Wagyu Beef (Bungo Gyu)**

- Sample tastings will be offered during business meetings.
- Products may change without notice.

Once companies have registered, meetings will be scheduled with the selected Oita companies.

There is no charge for this event, but registration is required.
