

JETRO INVITATION PROGRAM

Environmental and Water Sector Business Matching Program in Osaka (tentative)

JETRO will invite overseas corporations to Environmental and Water Sector Business Matching Program in Osaka.

Japan's Kansai area, including Osaka, Kobe and Kyoto, is home to a number of Japan's largest corporations and some of the country's most innovative small & medium-sized enterprises. Cutting-edge manufacturing technologies combined with an ambitious entrepreneurial spirit have made Kansai a world leader in renewable water and environmental technology. JETRO will organize individual business meetings between leading business entities from overseas and Kansai's local ones in the respected field. Come take advantage of this occasion to visit Japan and explore new business opportunities with unique and highly skilled Japanese suppliers.

For further information on this exciting business development opportunity, contact Johnny Tan via e-mail at johnny_tan@jetro.go.jp or call 416-861-0000.

The Japan External Trade Organization (JETRO) is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world. Originally established in 1958 to promote Japanese exports abroad, JETRO's core focus in the 21st century has shifted toward promoting foreign direct investment into Japan and helping small to medium size Japanese firms maximize their global export potential.
