

Japan Food Suppliers Matching Program

JETRO's 48 offices in Japan search for the Japanese ingredients you want and follow up on business negotiations!

We process inquiries sent to JETRO's worldwide offices in Japan. This service utilizes JETRO's unique network to provide product information through Japanese offices that matches inquiries and conduct follow-up through both worldwide and Japanese offices until deals are closed.

STEP
1

I want to purchase Japanese ingredients and know which ones I want, but I don't know whom I should contact for information about them.

STEP
2

Contact your nearest JETRO office. We will hold a meeting with you to provide details about desired products and any transaction conditions. Please see the back page for the JETRO office nearest you.

STEP
3

The inquiry will be sent from the JETRO worldwide office to our 48 offices in Japan.

STEP
4

We will find products that perfectly match your inquiry.

STEP
5

JETRO will conduct follow up with Japanese companies, from correspondence and negotiations to closing contracts.
