| <p>IWAFUKU is a centuries-old orchard farmer mainly cultivating Japanese pears, pears from elsewhere (Le Lectier) and peaches, with over eight hectares ready for bulk orders. We also strive to improve our products by minimizing the chemicals used for our farming and making soil using organic fertilizer.</p> |                                       |                                  |   |                          |                             |                                   |
