Our flagship design. The Marunao Star fuses the beauty and warmth of ebony with the strength and utility of artificial marble, while retaining the octagonal design that makes Marunao synonymous with excellence. Since it's debut in 2003, this design has become a standard-bearer in premium utensils whose popularity shows no signs of waning.

Selling point

The cup has low thermal conductivity and excellent mouthfeel. You will use it many times a day and will love it so much that you want to be always with it. You will be impressed by the spirit of the craftsman who has made the product over time out of hard wood which is so difficult to cut.
