Company outline

We deliver delicious locally milled rice directly from Minami Uonuma, Niigata. We store and maintain the freshness of specialA class rice from all across the country including our core product, Uonuma Koshihikari and Niigata Koshihikari, in a yukigura(snow shed) with 700 tons of snow to bring out the flavors of rice by aging them in a temperature just above where it freezes. We will deliver our concept of "making delicious rice even more delectable" right onto your table.
