Place of production/processing			
Niigata			
Ingredients and food additives			
flour, wheat gluten			
Selling point			
Fu is a traditional Japanese food which is very nutritional, having good calcium and being low in calories and high in protein. It can be used as a meat substitute such as cutlet and Karaage. Therefore Kuruma-Fu is the perfect food for either vegetarians, vegans and people who are on a diet or people who don't eat meat for religious reasons			
Flavor			
no flavours
