No. 209 URUSHIYAMA METALS INDUSTRIAL CO., LTD.

Product No. 01

Product name

TAKUMIWAZA KIWAMI Frying pan 26cm

Description

Cooking utensils

Size per product

Width	452 mm
Depth	270 mm
Height	105 mm
Weight	845 g
Capacity	-

Quantity per case

12 piece(s)

Minimum lot for order

12 piece(s)

Retail price in Japan (yen) *excluding tax

5,500 JPY

Place of production/processing

Niigata

Materials

Body: Aluminum alloy Handle: Natural wood

Selling point

They are made by pouring molten aluminum into casting molds one by one. The bottom is especially thick, and the thickness can gradually change towards the sides. In addition to professional-grade functionality and durability, it evenly transmits heat. Not compatible with IH. made in Japan

Color

Silver

Lead time

We can make shipments soon.

● We can make shipments [2 month(s) ~ 3 month(s)] after receiving order.

Product No. 03

Product name

TESSHO Frying pan 26cm

Description

Cooking utensils

Size per product

Width	443 mm
Depth	275 mm
Height	110 mm
Weight	950 g
Capacity	-

Quantity per case

8 piece(s)

Minimum lot for order

8 piece(s)

Retail price in Japan (yen) *excluding tax

6,000 JPY

Place of production/processing

Niigata

Materials

Body: Iron Handle: Natural wood

Selling point

The body is nitrided and the surface is uneven, making it more compatible with oil, eliminating the need for dry firing and oil leveling, which were previously troublesome. It is less likely to rust even if you do not apply oil after cooking. made in Japan

Color

Black

Lead time

We can make shipments soon.	● We can make shipments [4 month(s) ~ 5 month(s)] after receiving order.

Niigata			
Materials			
Body: 2-layer cladding material Handle: Phenolic resin			
Selling point			
The main body is made of two-layer cladding material that is ideal for IH cookers. Spinning processing, which stretches the sides thinner, is lighter than press processing, and has superior strength against thermal deformation. The outer surface is polished like a mirror and has a beautiful finish. made in Japan
