More than 21 people to less than 100 people

## Industry sector

 Manufacturing
  Wholesale
  Retail
  Trading
  Services / Others

## Company outline

Sake brewing rooted in the local community is the basis of our business. The pure, unadulterated, handmade distilled sake waits quietly for the time to come, and is reborn as old sake after years of maturation. We will continue to pass on the traditional culture of Awamori along with the sake making.
