Selling point

THE REFINED:KAZE is a Awamori blend whose name means wind. Its water is sourced from the Ryuhi's ancient fountain near Okinawa's Shuri Castle. KAZE is a KUSU, carefully matured for five years, resulting in a smooth and supremely refined product. Savor it on its own, neat, with a splash of water, or in a cocktail, shaken or stirred.

Flavor

TASTING NOTES:acidity, full-bodied, long sweetness

AROMA:mushroom, nuts, sulfur, vanilla

NOTE:The sweet mushroom-nutty aroma is already present before tasting. It pours softly to the body, spreading its deep flavor throughout the mouth. When it settles with time it develops a rich creamy vanilla aftertaste.
