

JAPAN
Open for
Professionals

Work in
Japan!

Find Japanese companies using "OFP List"!

OFP=Open for Professionals

What's the "OFP List" ?

Japan is home to many companies, both large and small, with advanced technological capabilities and a desire to expand business overseas.

JETRO collects the voices of companies, from traditional corporations to dynamic startups, that want to grow their business together with "global talent," and publishes a corporate database "List of Companies Interested in Global Talent - Open for Professionals - (OFP List)"

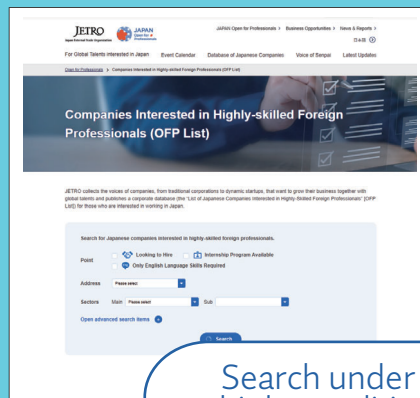

Features

Only companies
that are interested
in global talent
are listed.

Internship
opportunities
can be found!
