Major Export Destination U.S.A., Canada, Mexico, Switzerland, U.K.  
Certification JAS ORGANIC, NON GMO, KOSHER, FSSC22000

**SA Organic MATCHA**

Available in two varieties - Organic Ceremonial MATCHA and Organic Daily MATCHA, this organic, finely ground essence of green tea is made from only the most tender organic tea leaves. SA Organic MATCHA products are GMO free and Kosher certified products of SHIZUOKA, Japan. Organic Ceremonial MATCHA is best suited for traditional or formal settings such as tea parties or for those who indulge in only the finest, and Organic Daily MATCHA is best for casual preparations or for use as an ingredient, such as in lattes, smoothies, ice cream, and many other recipes.

**SA Japanese Green Tea 'Organic Teabag Series'**

Launching in December 2016, SA Organic Green Tea Products will be available in three traditional flavors: SENCHA, GENMAICHA and HOJICHA. The tea is GMO free, Kosher certified, and 100% organic, expertly produced from select leaves in the highlands of SHIZUOKA, Japan, at an elevation of 1,500-2,000 feet. Only spring harvest leaves are used for their sweet taste and rich UMAMI. The teas come in high quality compostable teabags with a long string, making it easy to brew in mugs and tumblers. Steeped in centuries of tradition, the knowledge and techniques of SA tea producers are reflected in these new organic products.

Certification Global GAP

### Green Spring Onion Dressing (From ASAKURA Farm)

With more than 40 years farming experience, 20 years without using chemical fertilizers, we adhere to strict standards to cultivate our green spring onions. This octopus dressing is handmade using our green spring onions. Our dressing brings out the flavor of main dishes such as meat or fish. \*It has no additives (no antiseptic agents, preservative agents, MSG or food coloring).

### Seaweed Dressing ISONOKAORI Sauce

ISONOKAORI Sauce was developed in conjunction with YAMAMOTO NORI-TEN. It uses an abundance of green onions that have been cultivated to the strictest of standards at our farm that has not used chemical fertilizers for 20 years. A single bottle contains a whole sheet of superior quality seaweed from ARIAKE Sea and AMAKUSA salt for a surprising marriage of the blessings of the sea green onions and from the earth. It contains no antiseptic agents, preservatives, MSG or food coloring.

Japan External Trade Organization

JETRO, or the Japan External Trade Organization, is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world. Originally established in 1958 to promote Japanese exports abroad, JETRO's core focus in the 21st century has shifted toward promoting foreign direct investment into Japan and helping small to medium size Japanese firms maximize their global export potential.

This material is distributed by JETRO Los Angeles on behalf of Japan External Trade Organization, Tokyo, Japan. Additional information is available at the Department of Justice, Washington, D.C.

\*All information in this publication is verified to the best of JETRO's ability. However, JETRO does not accept responsibility for any loss or damage arising from any reliance on it.
