KANEKU CO., LTD.

まごころ、きかせる

元カネク

Founded in 1927, Kaneku Co., has been developing and producing Wasabi products over 90 years. Their Wasabi products are available in powder and as paste and are mostly purchased by professional chefs worldwide. Other Japanese spices are also available such as Yuzu-gosho (citron pepper) and ginger paste trading in over 30 countries.

Seaweed Mix

Six types of colorful seaweed with snow fungus. Each piece equally cut and blended to create aesthetically pleasing seaweed salad.

BBQ Wasabi

Chopped crunch wasabi with a touch of soysauce. Great with sashimi, on the side of soba noodles or added to creamy steak sauce.

KIBUN FOODS INC.

The Kibun Group specializes in surimi based products. Its operating structure comprises of nine domestic and five overseas major Group companies in five countries.

The Kibun Group sources ingredients from all around the world. Their products are manufactured in Japan and Southeast Asia and are marketed globally.

Steamed Surimi Seafood

[About kamaboko] A low-calorie food, high in protein.

Made with cod surimi, with blood, fat and its skin removed and is white in colour. Surimi sits on a wooden plate which helps to retain its shape, steam and absorbs excess water when cooling and slows down decomposition.

Fried Surimi Seafood

[About Satsuma-age] Cod surimi with salt and sugar then knead and fried with vegetable oil.

A fish paste product, high in protein. This is a plain satsuma-age and can knead in other ingredients such as vegetables, squid, octopus and scallops.

KINJIRUSHI SALES CO., LTD
(KINJIRUSHI WASABI)

金印

We are a wasabi manufacturer. We supply high quality grated wasabi with the minimum food additives, using only wasabi from selected farmers and processed by a fully automated manufacturing system.

Grated Fresh Wasabi

Easy-to-use paste comes in a squeezable tube. Its coarseness makes it easy to serve and to maintain pungency. Refrigerate after opening.

Shredded Yuzu Peel

Flash frozen Yuzu peel with its fresh pungency and bright hue kept intact. Loosely frozen and can be used as needed.

2461 (B)

MORIMATSU SUISAN REITO CO., LTD.

Established in 1967, Morimatsu Suisan Reito is a leading seafood processor in Japan. Yellowtail is the best selling product and has been strongly supported by a number of domestic and overseas clients for many years.

Aquaculture Yellowtail Fillet

By using baits with green tea and konbu kelp, ingredients prevent the fish's colour changes. The fish quality has improved drastically, with freshness intact.

Aquaculture Red Seabream Fillet

Considered luxury food indispensable for ceremonial occasions such as birth, marriage and memorial functions in Japan. Aesthetically beautiful, elastic texture and the high quality fat makes this seabream superb. It is rich in nutrients, rich in protein, taurine and vitamins.

JETRO, or the Japan External Trade Organization, is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world. Originally established in 1958 to promote Japanese exports abroad, JETRO's core focus in the 21st century has shifted toward promoting foreign direct investment into Japan and helping small to medium size Japanese firms maximize their global export potential.

All information in this publication is based on the exhibitors' declaration and verified to the best of JETRO's ability. However, JETRO does not accept responsibility for any loss or damage arising from any reliance on it.
