

Promoting Certified Japanese Food and Ingredient Supporter Stores Overseas at Narita International Airport

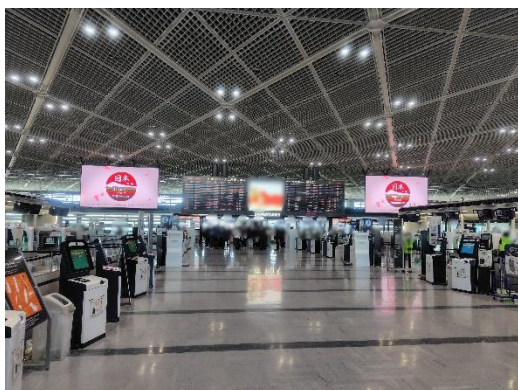

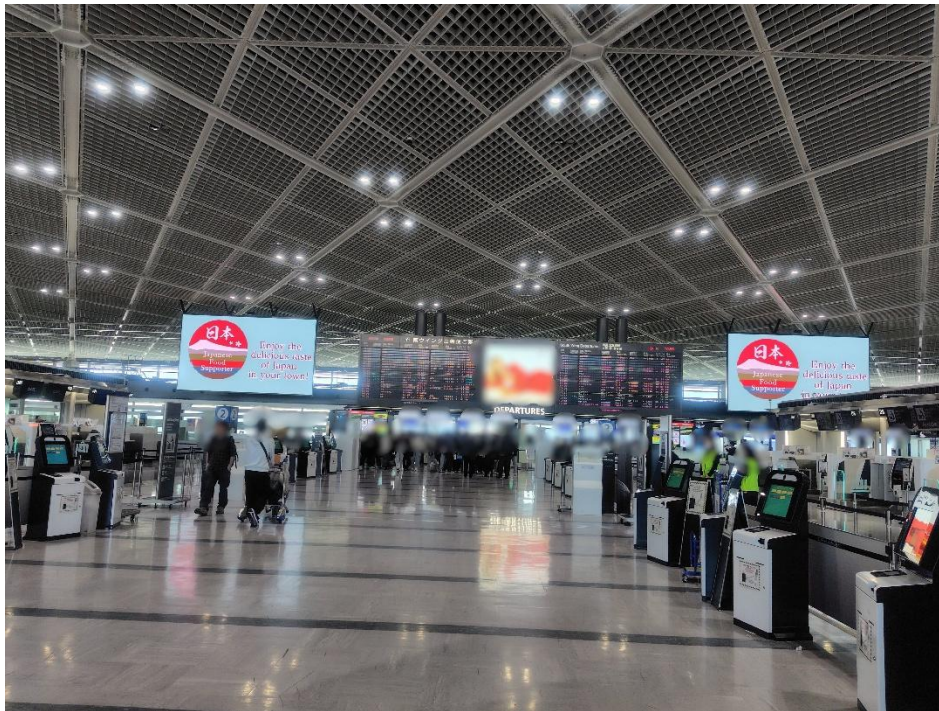

Posting day: December 10, 2025

JETRO showcases promotional videos highlighting Supporter Stores, at Terminal 1 in Narita International Airport throughout December 2025. The purpose is to let international visitors know they can continue enjoying and buying delicious Japanese foods and ingredients by finding the logo of Supporter Stores back home. JETRO hopes that visitors, after returning, will find the logo and enjoy Japanese-made food at Supporter Stores in their home countries.
