

INVITATION PROGRAM “INJECT AI-IoT INTO AICHI —JAPAN’S MANUFACTURING CORE—”

Are you an AI-IoT related company? Are you looking to collaborate with a top-tier Japanese manufacturing company? Aichi/Nagoya, home to TOYOTA, DENSO, AISIN and many others (especially in automobile, aerospace, and robotics sectors), needs your ideas and technologies!

Invitees will get the chance to **participate in “Nagoya Boost Day”** (held as part of the innovation program “Nagoya Boost Ten Thousand”), where they can pitch and present their companies to major Japanese companies/investors. We will also arrange visits to **industrial associations** and **potential partner companies** looking for new international AI-IoT technologies.

Invitation Program Schedule (tentative):

13 Feb 2019 (Wed)	Arrival in Nagoya
14 Feb 2019 (Thu)	Visit to industrial associations and/or potential partner companies in Nagoya/Aichi (Day 1)
15 Feb 2019 (Fri)	Visit to industrial associations and/or potential partner companies in Nagoya/Aichi (Day 2)
16 Feb 2019 (Sat)	Pitch Event “Nagoya Boost Day” & Networking
17 Feb 2019 (Sun)	Departure from Nagoya

We will cover the **airfare** (round trip ticket to Nagoya) and **accommodation** in Japan during the program under our terms and conditions. We will also arrange **interpreters** throughout the program.

Please contact **JETRO Düsseldorf** for more information and to receive the application form.

Application deadline: November 19, 2018

Contact Person: **Ms Petra Rehling** (E-mail: Petra_Rehling@jetro.go.jp)

*JETRO (Japan External Trade Organization) is a government-related organization that works to promote mutual trade and investment between Japan and the rest of the world.
