

Program by Aichi-Nagoya Startup Consortium (organized by JETRO Nagoya)

BUSINESS MATCHING EVENT “CONNECTING IOT STARTUPS WORLDWIDE WITH MANUFACTURING/RELATED COMPANIES IN AICHI-NAGOYA”

Are you an IoT related company? If you are looking to collaborate with Japanese manufacturing companies in Japan, this event is for you. Aichi-Nagoya Startups Consortium will hold an online business matching event to connect IoT startups worldwide with manufacturing/related companies in Aichi-Nagoya, which is home to TOYOTA, DENSO, AISIN and many others (especially in automobile, aerospace, and robotics sectors).

AICHI-NAGOYA STARTUP CONSORTIUM

You will have a chance to participate in our new online event “Connecting IoT Startups Worldwide with Manufacturing/related Companies in Aichi-Nagoya” (held as part of the program by Aichi-Nagoya Startup Consortium organized by JETRO Nagoya); to **present your pitch** and have **business meetings** with interested manufacturing/related companies in Aichi-Nagoya. We will arrange **interpreters** (English-Japanese) throughout the program. Do not miss this opportunity!
