Operation & management of hydroelectric power
On June 15, 2018, in the fifth meeting of the SDGs Promotion Headquarters,
- The Expanded SDGs Action Plan 2018 was approved, and
- 29 SDGs Future Cities and 10 model projects were announced

We will prioritize the SDGs as a main pillar of our national strategy for creating Japan’s future.--------

Japan will shape the future of the world through the promotion of the implementation of the SDGs.
Creating Social Good through Collaborative Innovation
