Acquisition of certification

Company overview

Igeta Seicha Kitago Chaen Co.,LTD

Our "finishing technique," which enjoys a high reputation both in Japan and abroad, brings out the difference in our exquisite tea.

We are a Miyazaki-based producer and wholesaler of locally produced tea, running tea plantations and processing and small-lot packaging factories, which are all Organic JAS-certified. Our mainstay lineup includes organic tea and regional specialty tea products. We have won various awards in and outside of Japan mainly for finishing quality. Have a capacity to flexibly respond to different requests from each customer.
