4. Contracted Services

1) Scope of Work

The Contractor shall conduct “Specific Assignment” for Japanese companies. The “Specific Assignment” refers to the work of providing support for individual companies and cases designated by JETRO. Duties and responsibilities include, but are not limited to, the following:

- a. Providing information through consultations/briefings or reports regarding specific market, regulations, and business environments (hereinafter referred to as “Information Services”)
- b. Identifying potential partners* (preparing a list of prospects, arranging meetings, accompanying Japanese companies upon request.
* "Partners" shall include companies, support experts, and relevant organizations.
- c. Providing support during Japanese companies’ visits to the Subject Area.
- d. Supporting business matching events, exhibitions, dispatching missions, etc.
- e. Preparation for JETRO staff visits to the Subject Area.
- f. Giving presentations.

2) Specific Assignment Details

a. Information Services:

The Contractor shall conduct surveys and provide information through consultations/briefings or reports based on inquiries from Japanese companies as designated by JETRO.

(1) Consultation/briefing

(i) Consultation/briefing in person/online

Providing consultations or briefings through face-to-face or online meetings in response to individual inquiries. Multiple sessions may be held for a single company or individual depending on the nature of the inquiry. Each meeting is expected to last approximately one hour and shall be held at the JETRO office or online on a date scheduled by JETRO. A JETRO staff member will be present at each meeting.

Expected outputs of consultation/briefing are as follows:

- Specific local market conditions and risk information
- Legal, labor, tax, and accounting matters pertaining to business operations within the Subject Area.
- Practical advice for conducting business meetings

(ii) Additional inquiries

Responding to additional inquiries from Japanese companies related to the information provided by “(1) Consultation/briefing in person/online.”

(2) Report

Provide detailed information about specific market, regulation, business/living environment based on inquiries from Japanese companies or JETRO.

(i) Short report

Each report shall include 1 or 2 of the <Items of Report> listed below and shall consist of one to three A4 pages, excluding photos and charts.

(ii) Standard report

Each report shall include 3 of the <Items of Report> listed below and shall consist of four to six A4 pages, excluding photos and charts.

(iii) Long report

Each report shall include 4 or 5 of the <Items of Report> listed below and shall consist of seven to ten A4 pages, excluding photos and charts.

< Items of Report >

- Demand for the products/services (market size and characteristics, import statistics, trends and industrial structure)
- Information on competitors in the market (manufacturer/ brand name, price, sales locations, etc.)
- Overview and characteristics of distribution channels
- Laws and certifications related to imports
- Formalities, procedures, and legal requirements for establishing a local subsidiary
- Other relevant information not listed above

The Contractor shall collect the relevant information upon JETRO's request.

b. Identifying Potential Partners:

(1) Identifying potential partners upon requests from Japanese companies

The Contractor shall commence the search described below immediately upon receiving instructions from JETRO, while respecting the following points.

- Identifying local potential partners that are likely to have roles and/or functions desired by Japanese companies, and providing basic information (such as company name, URL, location, number of domestic branches, year of establishment, total number of employees or sales staff, business outline, import capabilities, contact person details etc.). The approximate number of partners to be identified shall be communicated by JETRO at the time of each request. If the number of potential partners is expected to exceed the communicated estimate by three or more, the Contractor shall consult with JETRO for approval prior to listing.
- Submitting a Potential Partners List to JETRO (refer to Attachment 1 "Potential Partners List" for the details). When including personal information (such as contact details) in the list, the Contractor shall obtain the prior consent of the individual concerned for the disclosure of such information to Japanese companies.
- Acquiring interest and feedback from potential partners in the local market regarding the products and services of a requested company.

< N.B. >

- Payment Calculation: The service is billed as one case for up to the first five partners identified. For any request resulting in more than five partners, an additional per-partner unit price shall be applied for each partner starting from the sixth.

(2) Arranging meetings with potential partners

(i) Arranging business meetings with the partners selected from the list provided under item b (1)

- For successful outcomes: If an appointment is secured, the Contractor shall coordinate the meeting schedule with JETRO.
- For unsuccessful outcomes: If a meeting is not arranged within approximately two weeks after the initial instruction by JETRO, it may be deemed "unsuccessful". In such case, The Contractor shall submit a Feedback Report to JETRO (refer to Attachment 2 "Feedback Report" for details), upon which a fee may be claimed.

(ii) Attending online meetings

- The Contractor shall report to JETRO after attending online meetings.

(3) Accompanying Japanese companies upon request

The Contractor shall accompany Japanese companies upon their request, including attending in-person meetings.

The Contractor shall also submit a Meeting /Activity Report to JETRO (refer to Attachment 3 "Meeting /Activity Report" for the details) covering the contents of meetings, follow-up needs, and any advice after accompanying them.

(4) Follow-up

Based on instructions from JETRO, the Contractor shall contact potential partners, check their progress by phone, e-mail or interviews, and report the results to JETRO.

c. Providing support during Japanese companies' visits to the Subject Area

Providing support for market research (such as retail price surveys, consumer and stakeholder interviews, etc.), various application procedures (opening bank accounts, etc.), and property searches (real estate, etc.) conducted locally by ABD-supported companies.

d. Supporting business matching events, exhibitions, dispatching missions etc.:

At business matching events, exhibitions, dispatching missions, or other activities hosted or co-hosted by JETRO, or at business meeting events in which multiple JETRO-supported companies participate, the Contractor shall provide support such as:

Identifying potential companies interested in joining the event, assisting with business meeting arrangements and matching, providing consultations to participating Japanese companies, offering pre-matching support and follow-up activities.

e. Preparation for JETRO staff visits to the Subject Area:

Conducting pre-visit surveys, arranging and attending meetings as designated by JETRO.

f. Giving presentations

Giving presentations in webinars or seminars hosted or co-hosted by JETRO. All preparations, including preparation of materials and rehearsal, shall be included as part of one unit.

- * JETRO may request the Contractor to perform work other than that described above when deemed necessary with reference to “1. Objective.”
- * The Contractor is expected to submit the deliverables for “a. Information Services (2)” and “b. Identifying Potential Partners (1)(2)(3)(4)” within two weeks after receiving instructions from JETRO. The submitted deliverables shall be forwarded to Japanese companies thereafter.

5. Activity Reports

1) Monthly Report

The Contractor shall submit a monthly report to JETRO, in the designated format, covering all activities conducted under the above “Contracted Services” during the month. The report shall be submitted by the 10th of the following month (or the next working day if the 10th falls on a weekend or holiday). The monthly report for March shall be submitted to JETRO by March 31, 2026.

2) Completion Report

Promptly after all Contracted Services instructed by JETRO during the contract period have been completed, the Contractor shall submit a completion report to JETRO by the expiration of the term of this Agreement.

In addition to the aforementioned two reports, the Contractor shall report on the progress of the services

set forth in Article 1 (i) whenever requested by JETRO.

6. Payment

Payments shall be made on a monthly basis. Fees for each month shall be calculated based on a monthly closing at the end of the relevant month and shall be paid no later than the twenty-fifth (25th) day of the second month following such month.

The Contractor shall submit to JETRO an invoice for the relevant month no later than the tenth (10th) day of the following month, together with the Monthly Report referred to above. The payable amount shall be determined based on the actual services performed during the relevant period, and all deliverables shall be subject to and pass JETRO's inspection in accordance with Articles 11 and 12 of this Agreement.

The Contractor shall calculate the invoice by multiplying the unit prices set forth in Appendix 2 of this Agreement by the actual quantities of services provided during the relevant period. JETRO shall make payment in accordance with the payment schedule set forth above, provided that all deliverables have been duly accepted following inspection.

7. Miscellaneous

- Since meetings, consultations, or briefings are generally held at JETRO Johannesburg Office, the transportation expenses to the said office shall be included in the contract price payable to the Contractor. However, if a meeting, consultation, or briefing is conducted at a location separately specified by JETRO, the transportation expenses shall be reimbursed based on actual costs.
- Communication expenses incurred by the Contractor, such as phone and e-mail charges for conducting services shall be included in the contract price.
- The Contractor may be requested to travel to implement the assignment described in the contract upon JETRO's request. Travel expenses shall be borne by JETRO in accordance with JETRO' Business Travel Expense Regulations.
- Regarding any services implemented and paid in Japan, JETRO shall withhold tax from the contract price, in accordance with the Income Tax Act (except for countries eligible for tax exemption).
