

En el Diario Oficial de la Federación del 9 de febrero de 2017 se publicó el Anexo 22 de las Reglas Generales de Comercio Exterior para 2017 respecto de los Datos del Proveedor/Comprador del Instructivo para el llenado del Pedimento.

JAPAN CORPORATE NUMBER

Se establece como ID. Fiscal para Japón el Corporate Number que es un número asignado por la National Tax Agency a una persona jurídica para identificarla.

El "Corporate Number" consta de 13 dígitos y una vez asignado le es entregada una "Notification of Corporate Number" que puede ser consultado en internet para conocer información pública básica y puede no estar disponible en inglés.

Descriptions in the “Notification of Corporate Number”

Location of “Mailing Address of Recipient”

- If a corporation is incorporated by registration, the registered address is described.
- If a corporation is not incorporated by registration or an association without legal personality, the address which is provided in documents or statements submitted to a tax office is described.
- If a corporation is a foreign corporation or the like which has a place of business or office in Japan, the address provided in documents or statements submitted to a tax office or the address of tax representative is described.

The date and year of designation of the Corporate Number is described in the “**Date and Year of Designation of Corporate Number**” section.

The information as displayed on the National Tax Agency's Corporate Number Publication Site is described in the information displayed on the “**National Tax Agency's Corporate Number Publication Site**” section. Since the JIS third and fourth level letters or nonstandard letters may not be entered from or displayed on personal computers used by users, the letters in a registered trade name and address are replaced with the JIS first or second level letters in advance so that they will be properly displayed on the “National Tax Agency's Corporate Number Publication Site.” For example, the letter “法” is replaced with “法.” In this case, the letters which cannot be replaced with the JIS first or second level letters are replaced with “_” (underbars).”

(Note) The Basic 3 Information of an association without legal personality or the like will not be published without the prior consent of its representative or manager. The fact that there are descriptions in this section does not mean that the information will be published.

“NTA” is printed in the top and bottom margins of the notice (in 12 places each) with special ink.
(Note) “NTA” is the abbreviation of the National Tax Agency.
