**Subject: Launching Business Matching Seminar for Global Disaster Risk Preparedness in Partnership with Bureau of Equipment**

**Dear Sir:**

Greetings!

**The Department of Kochi Prefecture Industry Promotion Division Japan in partnership of Bureau of Equipment (DPWH)** would like to invite you and/or representatives from your office to the subject Launching Business Matching Seminar. The Seminar aims to introduce the Japan Innovative Solutions for Global Disaster Resiliency.

Kochi Prefecture has suffered many natural disasters in the past, including typhoons, flood, and earthquakes, Kochi overcome these disasters by creating new knowledge and technologies. Through the concerted efforts of the public and private sectors, new products and technologies that contributes to improve the prefecture's disaster-prevention capabilities have been created by the companies inside the prefecture.

Philippines also suffered from natural disasters. By introducing these products and technologies in this Seminar We hope we can to contribute to disaster prevention in the Philippines.

Date: October 18, 2024

Place: Sheraton Manila Bay

Host: BOE – DPWH and Kochi Prefecture

Supported: Embassy of Japan, JETRO Manila Office, JICA Philippine Office
