- 05 | **How to apply**
- 06 | **Contacts**

Objective

Objective is to create a pathway for startups from Japan, who have finished a JETRO immersion program, to access StartX flagship program (Stanford university's premier accelerator)

- 1 Understanding the StartX's Flagship Program selection
- 2 Preparation and polishing of submission materials aligned with evaluation criteria
- 3 (Only for selectees) Participates in StartX Flagship Program

Location

- Online preparation program
- Travel to Palo Alto will be required if selected for the Flagship Program. Attendance at three designated events is mandatory. For optimal program benefits, in-person participation is strongly recommended.

Target Applicants

Eligible Companies	Startups based in Japan (who have completed one JETRO program)
Stage	Pre-seed to Series A
Sector	Companies from all sectors can apply to this program

2 PROGRAM STRUCTURE | Program Overview

1

Materials Preparation & Application

Workshop & Mentoring (5 companies)

To deepen understanding of the StartX Flagship Program, we provide mentoring and feedback on pitch materials, etc., preparing candidates for program selection. StartX's Flagship is held 3 times per year, and approximately 3 training courses are conducted in line with each Flagship opening period.

2

Interviews & Individual Training

Mock Interviews & Mentoring (5 companies)

Apply to StartX's Flagship Program.
Selected applicants will go through StartX's unique screening process, including two rounds of interviews.
Mock interviews and feedback from the StartX team will help refine their pitch and improve their chances of acceptance.

3

(For Selected Candidates Only) Participation in Flagship Program

StartX Flagship Program (Only selected startups)

Selected companies receive local support for 14 weeks and participate in the StartX Flagship Program. Even after participation, they can continue utilizing resources as StartX community members.

These two modules are covered by this JETRO StartX flagship prep course

1

Materials Preparation & Application

Learn from StartX workshops to understand the evaluation criteria, prepare materials accordingly, and apply online for the Flagship Program via the StartX website. All steps will be conducted online.

Capacity

5 companies

Dates

Sep 13 - Oct 12, 2025

※Deadline for the next Flagship course (Spring 2026) is **Oct 12** — prepare accordingly by then.

Contents

StartX Admission Preparation

- Pitch deck improvement (creating simple and compelling presentations)
- Mentoring to handle the interview process
- Custom training (support for material creation that highlights the startup's strengths and founder's characteristics)

StartX flagship application link → https://startx.com/application_spots/new

※The actual above application must be **submitted by the participating company**.

2

Interviews & Individual Training

Companies that pass the document screening will receive training (e.g. mock interviews) tailored to each interview phase. Round 1 includes one interview; Only for startups who passed round 1, Round 2 includes 2–4 interviews.

Capacity

5 companies (Those not selected in the document screening will still receive feedback sessions)

Dates

Oct 13 - Dec 8, 2025

(Interview schedules vary by company; final Flagship selections are expected on December 8.)

Contents**Understanding and Preparation for the Interview Process**

- Pitch training (how to convey your company's appeal and presentations that capture people's interest)
- Discussion training (how to respond to detailed questions from judges and understanding frequently asked questions)

3

(For Selected Candidates Only) Participation in Flagship Program

Startups that pass the evaluation and are selected will participate in the 14-week StartX Flagship Program. Through this program, there is potential to expand to America, San Francisco, and Palo Alto.

Capacity**Selected companies only****Date**

(Spring Cohort): Feb 5, - April 10, 2026

Contents**Flagship Program <https://web.startx.com/>**

- Seminars, group coaching, access to stanford's entrepreneur community
- Demo Day
- 1-on-1 mentoring
- Participation in StartX's core community, resource utilization (free use of StartX's Working Space, access to a broad mentor network)

Note: The Flagship Program is an independent StartX program and is not affiliated with JETRO.

Please note that the schedule is subject to change.

Companies will be gradually shortlisted through each stage of the process.

StartX

<https://web.startx.com/>

A Stanford-affiliated accelerator, fellowship, and community for students, faculty, and alumni.

- Largest Stanford startup ecosystem: 1,000+ companies, 300+ active mentors/investors.
- Portfolio valuations exceed \$60B total, with:
 - 165+ companies valued over \$100M.
 - 18 unicorns (e.g., Bolt, OpenSea, Playco).
 - Average fundraising of \$24M per startup.
 - 100+ exits (acquisitions/IPOs).
- 5x higher female founder representation than industry average.
- Network includes 75 Stanford professors and 1,600+ entrepreneurs.
