Notification of Department of Industrial Works

Re: Prescribing fine for violation of industrial effluent discharge that are not in compliance with the Ministerial Notification issued pursuant to the Factory Act B.E.2535 (1992)

To protect the environment from pollution generated from factory operation, a factory entrepreneur shall realize the significance of standard concerning any pollution that may have an impact on the environment which results in nuisance and safety of the public living nearby a factory and shall be strictly in compliance with the law.

Department of Industrial Works hereby implements a policy in setting up fine rate for a factory that discharges its industrial effluent that are not coherent with industrial effluent standard under the Ministerial Notification. The fine rate shall be prescribed as shown in the list annexed hereto.

Announced on the 7th day of November B.E. 2548 (2005)

(signed)

(Mr.Issara Shotiburakarn)

Director-General of Department of Industrial Works
