Annual Report Form for Treatment, Storage and Disposal Facility (TSDF)

For the year ……

Name/Address Company…… …… …….. ID : □□□-□□□□□□□□□□

Part 1: Information on waste received for storage, treatment and disposal	
Total amount of hazardous wastes received for disposal in one year Solid……Kilogram/Ton Liquid……Liter/Cubic meter (specify information on disposed hazardous waste and disposal method in attachment 1)	Quantity of waste generator sending hazardous waste for disposal …… (specify information of hazardous waste received for disposal from each generator in attachment 2)
Part 2: Contact person in case of further information or questions concerning annual report	
Name …… Position……..	Phone ……..Ext……... Fax……...
Part 3: Certification	
I hereby declare that information present here regarding hazardous waste management in this report is true and shall perform such task in accordance with the law.	
Name …… Position…….. Day ……..Month……..Year ……	Signature

Other suggestion:

Form Annual Report for Treatment, Storage and Disposal Facility (TSDF)

Form annual report is set up with the objective to track the movement and disposal of hazardous waste in the previous year by requiring a treatment, storage and disposal facility to fill in the information completely

Additional Instruction

Part 1: Information on waste received for storage, treatment and disposal in a year

Total amount of hazardous wastes received for disposal in one year: specify total amount of hazardous waste received for disposal by separately specify for liquid and solid and specify detail of all hazardous waste received for disposal in attachment 1.

Quantity of waste generator sending hazardous waste for disposal: specify quantity of waste generator sending hazardous waste for disposal and specify hazardous waste received from each waste generator in attachment 2.

Attachment 1: Description of hazardous waste being disposed of: please specify

1) Hazardous waste: hazardous waste received fro disposal by specifying code (see detail in annex A of the Manual)
2) Disposed quantity: specify separately for liquid and solid
3) Disposal method: Specify disposal method using the code (see detail in annex C of the Manual)

Attachment 2: Description of type and quantity of hazardous waste received for disposal

1) Sequence of receiving for disposal
2) ID of waste generator who sends its waste for disposal
3) Hazardous waste destined for disposal: specify type using code in Annex A of the Manual.

Attachment 1: Description of hazardous waste being disposed of

Total of hazardous waste being disposed of in a year – Method of disposal

Hazardous waste code			Method of disposal
