

(GARUDA EMBLEM)

**Ministerial Regulation No. 3**  
**B.E. 2535 (1992)**  
**Issued pursuant to the Factory Act B.E.2535 (1992)**

-----

By the virtue of section 6 and sections 8(7) of the Factory Act B.E. 2535 (1992), the Minister of Industry hereby issues the Ministerial Regulation as follows:

**Clause 1** Report of any information required by the provision of this Ministerial Regulation shall be in accordance with the form and method prescribed by the Minister of Industry in the Government Gazette.

**Clause 2** A factory using boiler or instrument using pressurized liquid or gas shall keep the record on inspection report and safety testing report.

**Clause 3** A factory manufacturing or repairing boiler or instrument using pressurized liquid or gas as heat transmitting media shall keep the record on production, inspection, and safety use of its products.

**Clause 4** A factory operating business that adversely impact the environment as prescribed by the Minister of Industry in the Government Gazette shall keep a record on inspection of efficiency of pollution control system, analysis of pollutants in pollution control system, and environmental quality examination.

**Clause 5** A factory using radioactive material shall keep a record on type, quantity, source, method of use, and storage procedure for such radioactive material.

**Clause 6** A factory producing, storing, or using hazardous substances according to the law on hazardous substances shall keep a record on material safety data sheet for such hazardous substances.

Given on the 24<sup>th</sup> September B.E. 2535 (1992)

(Signed)

Sippanon Katetat  
(Mr. Sippanon Katetat)  
Minister of Industry

(Published in the Government Gazette, Volume 109, Part 108, dated 16<sup>th</sup> October B.E. 2535 (1992))

Note: This Regulation is issued for the benefit of controlling and supervising the factory business with complex operation or with a requirement of technical principle such as manufacturer or repairer of boiler, boiler users, factories whose business impacting the environment, radioactive material users, etc. It is required that these factories shall keep a record and report any necessary information to the authority.
