

## **Notification of Ministry of Industry**

### **Re: Criteria for import or possession of hazardous substance type 4 under responsibility of Department of Industrial Works for the purpose of use as reference substance in laboratory B.E. 2556 (2013)**

\*\*\*\*\*

By virtue of the third paragraph of Article 5, and Article 44(1), (2) of the Hazardous Substance Act B.E. 2535, and Article 43 of the Hazardous Substance Act B.E. 2535 that has been amended by the Hazardous Substance Act (No.3) B.E.2551, which contains some provisions concerning the limitation of the person's rights and freedoms that can be done by the provisions of Section 29 combined with Section 32, Section 33, Section 41, Section 43 and Section 44 of the Constitution of the Kingdom of Thailand, the Minister of Industry, approved by the Hazardous Substance Committee, hereby issues the notification as follows:

Article 1 "Hazardous substance" in this Notification means hazardous substance type 4 listed under the responsibility of Department of Industrial Works, according to the Notification of Ministry of Industry regarding list of hazardous substance issued under the paragraph two of Article 18 of the Hazardous Substance Act B.E. 2535, which are to be used as reference substances in laboratory only.

Article 2 Whoever wishes to import or possess of hazardous substance shall submit the application for import or possession of hazardous substance to Department of Industrial Works.

In case where hazardous substance is under the responsibility of various organizations, the application shall be submitted to any but only one responsible organization.

Article 3 Application for import permit of hazardous substance shall use the WoAo/AoKo 12 Form annexed to this Notification.

After Department of Industrial Works has checked the application form and other document, if approved, the Department shall issue an import permit according to the WoAo/AoKo 13 Form annexed to this Notification.

Import permit shall be issued for each product or each hazardous substance name and is valid for only one time of import and for a period of not more than six months after a permission date.

Person who has received the import permit shall submit an import declaration form according to the WoAo/AoKo 14 Form annexed to this Notification or shall declare via the Department's computerized system according to criteria and procedure prescribed by the Department before Customs clearance procedure.

Article 4 Person who has received the import permit shall be exempted from a duty to submit the application for hazardous substance possession permit for a period not more than a period specified in the import permit.

In the event that the importer must deliver hazardous substance to a buyer, the importer shall submit the list of delivery according to the WoAo/AoKo 15 Form annexed to this Notification within thirty days since the date of delivery.

Article 5 Application for possession permit of hazardous substance shall use the WoAo/AoKo 16 Form annexed to this Notification.

After Department of Industrial Works has checked the application form and other document, if approved, the Department shall issue a possession permit according to the WoAo/AoKo 17 Form annexed to this Notification.

Possession permit is valid for three years since the permission date.

If applicant wishes to add more hazardous substances in the list of possession, he/she shall inform name of hazardous substance, concentration/ratio, CAS Number, producer, producing country, and amount of hazardous substance together with a copy of import permit of each hazardous substance to Department of Industrial Works.

Article 6 Laboratory belonged to ministry, state department, local government, state enterprise, state organization and Thai Red Cross, which possess hazardous substance for purpose as reference substances in laboratory, are exempted from a duty to apply for hazardous substance possession permit.

Article 7 Possessor of hazardous substance shall prepare measures for safety storage, usage, and disposal of hazardous substance that are in compliance with the technical standards and with the specific responsible person in charge. Possessor shall submit an annual report of the amount of hazardous substance in possession according to the WoAo/AoKo 18 Form annexed to this Notification at the end of the calendar year or report via the Department's computerized system according to criteria and procedure prescribed by the Department by February of the following year.

Article 8 Whoever wishes to renew a possession permit shall submit the application according to the WoAo/AoKo 19 Form annexed to this Notification in prior to the expiration of such permit. Once renewed, he/she shall have the same status as those who have received a possession permit and such possession shall be valid until the officer refuses to renew the permit.

Criteria for approval of possession permit shall be applied to the renewal of possession permit mutatis mutandis.

This shall, thus, enter into force on the day following the date of its publication in the Government Gazette.

Announced on the 10<sup>th</sup> January B.E. 2556 (2013)

(Prasert Boonchaisuk)

Minister of Industry

(Published in the Government Gazette, Volume 130, Special Part 22Ngor, dated 15<sup>th</sup> February B.E. 2556(2013))

Application for Import Permit of Hazardous Substance Type 4
For the purpose of use as reference substance in laboratory only

Date.....Month.....Year.....
