

Notification of Ministry of Industry

Subject: Designation of the hazardous substances of which its production process and nature are likely to cause danger

B.E. 2543 (2000)

By the virtue of Section 5 paragraph three, Section 20 (5), and Section 36 paragraph one of the Hazardous Substance Act B.E. 2535 (1992), the Minister of Industry, with the opinions of the Committee on Hazardous substance, hereby issues the ministerial notification as follows:

To designate the following hazardous substances as the hazardous substances of which its production process and nature are likely to cause danger.

1. Ammonium hydroxide > 10%
2. Hydrochloric acid > 15%
3. Sulfuric acid > 50%

This shall, thus, enter into force on the day following the date of its publication in the Government Gazette.

Announced on the 20th March B.E. 2543 (2000)

(signed)_____

(Mr. Suwat Lippatapullop)

Minister of Industry
