J-Startup

In Japan, over 10,000 startups are tackling new challenges with innovative ideas. Some dream of bringing their creative products to the world stage. Now with the J-Startup project supported by the Ministry of Economy, Trade and Industry (METI), JETRO and NEDO, those dreams become a reality for Japan's passionate startups. Launched in June 2018, this project aims to create successful, cutting-edge Japanese startups and empower Japan's startup ecosystem.
