

JETRO Invitation Program @ Aeromart Nagoya 2019

Japan External Trade Organization (JETRO) is the Japanese governmental agency, promoting trade and investment. This year, JETRO will invite primary subcontractors and secondary subcontractors in the aviation industry in order to meet Japanese small and medium size companies that are seeking partners to penetrate new markets overseas.

At Aeromart Nagoya 2019, JETRO will arrange business meetings between participants and Japanese suppliers.

Preferable Invitees

- Belong to Primary subcontractors and secondary subcontractors in the aviation industry.
- Company's decision makers for its purchasing activities.
- Middle or senior management who are seeking new business collaborations or co-developing new technologies with Japanese companies.

Expenses to be covered by JETRO

- Airfare (Round trip business class ticket to Nagoya)
- Transportation fees in Nagoya
- Accommodation in Nagoya
- Travel insurance
- One interpreter per company for the B to B meetings.

Benefits for Participants

- Opportunity to find new suppliers, products and technologies.
- Pre-arranged meetings to save your valuable time to find suitable business partners.
- Pre-arranged interpreter, to allow the meetings with Japanese companies in English.
