KUROMARU, Black Garlic from Miyazaki

KUROMARU is the sweetest, most delicious black garlic in the world. The garlic is grown by our group company, M-Farmland, using no pesticides. To bring out the best from our garlic, we work closely with universities to develop state-of-the-art technology by controlling temperature and humidity to age the black garlic to perfection.

Miyazaki Black Garlic Umami Soy Sauce

Miyazaki Black Garlic Umami Soy Sauce goes well with all kinds of dishes. Made from black garlic and a secret mixture of shitake mushroom and kelp soup stock. It's additive-free and contains no animal products.

SA Japanese Green Tea (Sugimoto America)

SA Organic Matcha

Available in two varieties - Organic Ceremonial Matcha and Organic Daily Matcha, this organic, finely ground essence of green tea, is made from only the most tender organic tea leaves. SA Organic Matcha products are GMO-free and Kosher certified products from Shizuoka, Japan. Organic Ceremonial Matcha is best suited for traditional or formal settings such as tea parties or for those who indulge in only the finest. Organic Daily Matcha is best for casual preparations or for use as an ingredient in lattes, smoothies, ice cream, and many other recipes.

SA Japanese Green Tea "Organic Teabag Series"

SA Organic Green Tea Products are available in three traditional flavors: Sen Cha, Genmai Cha, and Hoji Cha. The tea is GMO-free, Kosher certified, and 100% organic, expertly produced from select leaves in the highlands of Shizuoka, Japan, at an elevation of between 1,500 to 2,000 feet. Only spring harvest leaves are used for their sweet taste and rich umami. The teas come in high quality, compostable teabags with a long string, making it easy to brew in mugs and tumblers. Steeped in centuries of tradition, the knowledge and techniques of SA tea producers are reflected in these new organic products.
