事務所コメント (Messages to your potential clients in Japan)	I have taken care of trademark registrations, office actions, oppositions and also patent (pat) applications for major European corporations who have been using my services for more than 20 years evidencing their satisfaction. Until today I haven't gotten the opportunity to have a Japanese client in trademark or patent. I only have assisted one Japanese client in corporate matter. I hope in the future I will be able to have Japanese clients in IP matters. I am diligent and responsible in carrying out my duty to my clients and my services are personalized unlike the other big IP office. I am also active in the management of Indonesian IP Attorneys in which I am the head of the government relations and institutional cooperation which helps me to be up to date in IP matters in Indonesia.
