事務所コメント
(Messages to your potential clients in Japan)

Intellectual Property (IP) is our expertise. We cover the full IP spectrum and are dedicated to helping our clients to manage their portfolio of patents or utility innovations, trade marks and industrial designs, from search of prior applications and advise on registrability, application, overcoming potential objections and oppositions, to registration, watching service, renewal and dealing with infringement. Quality Oracle Group promises clients a hassle-free IP procedure staying away from ambiguity by providing reliable IP services consistent with the practical needs of the clients through our personal attention with absolute confidentiality and within effective time frame.
