SALUDO & TALEON & ASSOCIATES (formerly LEDESMA SALUDO & AGPALO SALUDO FERNANDEZ AQUINO & TALEON LAW OFFICES) is one of the leading medium sized law firms providing general and specialized legal services to some of the key institutional participants in Philippine Business and industry.

The law firm was organized in 1963 under the original partnership name of DAZA, LEDESMA, SALUDO & ASSOCIATES LAW OFFICES. Over the years, the Firm in addition to the general practice of law, has done extensive counseling in such specialized areas of law as corporate and investments, labor, taxation, patent and trademark, immigration, among others. Its international linkage is supplemented by correspondent relations with leading law offices in the United States, Europe, and Asia.

The Firm is one of the pioneering and leading practitioners in the field of intellectual property (trademark, patent, copyright, licensing and franchising and technology transfer). It has an international network of correspondents in almost every country of the world. The Firm's services in this field include, among others, the following: Trademark and Service Marks, Patents, Industrial Design and Utility Models, Copyrights, Unfair Competition, Consultation and Due Diligence.

Its simplified organizational structure gives the Firm built-in flexibility in the delivery of a wide range of legal services suited to the needs of its clientele. The firm has evolved and demonstrated a distinctive competence in the personalized management and close monitoring of cases. This enables a client to have ready access to an up-to-date status report on every aspect and facet of a case.

All the lawyers of the Firm share a unifying value – to give every client the full measure of their professional devotion. For us, a client is more than a name or a number in the file of an organization. A client is a unique person who is entitled to the full measure of his counsel's dedication, knowledge, experience, and perspective.
