| 事務所コメント (Messages to your potential clients in Japan) | The Ministry of Commerce of Myanmar has issued the notification no.63/2020 dated August 28, 2020 according to which the soft opening period started on October 1, 2020 and would end on March 31, 2021. Unless marks are re-filed during the soft opening period they will become invalid after March 31, 2021. There are three options for clients to refill their marks: without cautionary notice, with cautionary notice and with evidence of use. We recommend protecting the marks of our potential clients in Japan by refiling the marks by March 31, 2021. Our office has extensive experience in working with Japanese clients in relation to prosecution and enforcement of their intellectual property rights. Our team regularly visits Japan to give training and seminars on Myanmar IP laws. | | | | | |
