事務所コメント (Messages to your potential clients in Japan)	The ZICO IP team helmed by Linda Wang together with Su Siew Ling and Ong Boo Seng, is experienced with in-depth knowledge and local insights in all aspects of IP matters including commercialisation, registration/protection, litigation and administrative remedies. The team has successfully prosecuted and defended trade mark, patent, copyright and design infringement matters for Japanese companies in the South East Asia (SEA) region, in particular, in all the ten ASEAN countries where ZICO IP is present, as represented by its offices in 18 cities throughout the ten ASEAN countries. Our IP practice is top ranked by reputable publications such as Legal 500 and Chambers Asia. Our ZICO IP partners throughout the SEA region are individually recognised as some of the best in the field. At ZICO IP, we have been working with Japanese companies since they started expanding in the SEA region, servicing numerous Japanese conglomerates (Keiretsu) and companies in various industry sectors including manufacturing, finance, logistics and transportation, automobiles, pharmaceuticals and retail. Supported by a team of Japanese advisors and local consultants with an understanding of the cultural sensitivities and expectations of both Japanese clients and ASEAN member states, and sound local knowledge coupled with extensive experience, ZICO IP is well equipped to professionally assist Japanese organisations having interests in intellectual property protection in the region or that are advancing into the ASEAN countries.
