## DRP (Detroit Regional Partnership) Alan Weber, Vice President, Global Investment & Trade

## Detroit Regional Partnership

#### **Detroit Region**

- More than 500 Japanese firms operating in the State employing nearly 40,000 Michiganders.
- International Airport (DTW) with 1,100 daily flights on four continents with 140+ non-stop destinations and two direct flights to Japan per day.

Detroit Regional Partnership offers confidential, no-cost assistance to domestic and international companies seeking to explore and invest in the 11-county Detroit region. We specialize in helping companies understand and access the competitive advantages of our ecosystem. Whether a company is looking to establish a single-person sales office, headquarters, manufacturing operation, or tech center, we stand ready to act as your single point-of-contact to the network of assets and partners that support a company's facility location decision.

#### **DRP SERVICES**

- A Single Point of Contact
- Regional Data
- Connections to Key Partners
- Incentives and Talent Assistance
- Building and Site Analysis
- Individual support for Japanese Nationals
