

## Images Showing the Use of Japanese Food Products by Applicant Stores / Restaurants.

- For items selected as “Yes” on the “2.1 Use of Japanese Food Products” section in the application form, please attach images of either food labels indicating Japan as the country of origin, or supporting documents such as shipping documents, delivery notes, product specifications, etc., listing the name of the food and indicating Japan as the country of origin of purchased ingredients.

Sample images of labels indicating the country of origin or producing prefecture.
