

Japan External Trade Organization/日本貿易振興機構

Company Profile

JETRO aims to contribute to the further development of Japan's economy and society through trade and investment promotion and research on developing countries. Utilizing its domestic and international networks, it works to foster innovation, support exports of agricultural, forestry, and fishery products and food, and assist the overseas expansion of small and medium-sized enterprises.

Business Expansion in Cambodia

Through site visits and networking opportunities, we aim to support Japanese companies in identifying business partners in Cambodia and promote a comprehensive understanding of the business environment.
