- Letter number 45.170.001. 00.00.002.020.121 of the secretary of health service department

In recent times, the infection rate of Covid has increased and people has reluctant to wear a mask and to follow the Health guideline. In this regard, Covid advisory committee held a meeting on 14th June 2022 and recommended these following directives to implement.

The directives are:

1. To request the mass media to inspire people to maintain coronavirus health guidelines.
2. To make wearing masks in all cases mandatory, enforce the 'no masks no service' policy, maintain social distancing and avoid public gatherings as much as possible.
3. To wear masks at worshipping places (such as mosques, temples, churches, etc.) and maintain social distancing.
4. To encourage people to test COVID-19 if they suffer from fever, cold, cough or they see any other COVID symptoms.
5. To make it mandatory for all to wear masks at shops, shopping malls, bazaars, and hotel-restaurant, and in non-compliance, take legal punishment.
6. To make people aware of maintaining health rules and wearing masks by imams of all mosques.

Requested to take the necessary Measures in this regards.

Md. Khurshed Alam Khan

Dy. Secretary
